

Brice & Debbie started square dance lessons in 1996. He decided he wanted to be a caller and attended the Golden Triangle Caller School given by Wayne Morvent in 1997.

He calls for Houston Area Camping Squares and other clubs from time to time. He has a workshop club on Tuesday evenings from 7 to 9 in Crosby called the Do-Sa-Dos .

He has done several exhibitions at schools, nursing homes, churches and has worked with other callers at the San Jacinto Monument for the past few years for San Jacinto Days.

Besides square dancing we have a wood shop and make cedar boxes and go to Indian PowWows. Our company is called Cedar Plus.

We have 2 children and 3 grandchildren and always enjoy doing things with them

Brice is currently a Trustee with the Houston Callers Association and a member of the Texas State Callers Association.
